EYES IN THE SKY: FLIGHT ATTENDANT SAVES VICTIM OF TRAFFICKING

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, on a recent flight, flight attendant Shelia Fedrick of Alaska Airlines noticed a young girl, 14 or 15 years old, with blonde hair. Shelia approached two individuals, but the young girl refused to speak or make contact with her. The man next to the girl was defensive as she tried to make conversation.

Something was just not right. Shelia quickly devised a plan. She convinced the girl to go to the bathroom where Shelia had left a note stuck to the mirror. The girl wrote back on the note, and she needed help.

The flight crew quickly alerted the police on the ground. Shelia Fedrick ended up saving a victim of human trafficking.

Traffickers often ship their victims across the country like baggage. The Department of Homeland Security and flight attendants are working together through training to spot warning signs of modern-day slavery.

Thanks to Shelia Fedrick and other flight attendants for their work in rescuing victims of trafficking. We must continue to stop traffickers in their tracks.

And that is just the way it is.

OUR NATIONAL SECURITY

(Mrs. DEMINGS asked and was given permission to address the House for 1 minute.)

Mrs. DEMINGS. Mr. Speaker, I rise today to speak on an issue that is of critical importance to every person in this room, every father, mother, every family in our Nation. That issue is our national security.

While the resignation of General Flynn was appropriate, it has led to more questions than answers. One of the most important, who directed General Flynn to do what he did?

In my 27 years as a law enforcement officer, I have conducted both internal and criminal investigations at the highest level of law enforcement. I understand the importance of seeking the truth through such investigations.

In a time of confusion and uncertainty, the American people deserve answers and transparency. That can only come through a thorough, bipartisan, independent investigation.

Mr. Speaker, I urge my Republican colleagues to join me in calling for a thorough investigation. I know they understand the gravity of this issue and believe it is our duty to work together to keep our Nation safe.

OUR NATION'S INFRASTRUCTURE

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, California has been blessed with a lot of rain this year, a lot of snowfall in order to alleviate a drought. It has gone a little extreme here, but we are still thankful for the water.

I would like to report that Lake Oroville is stable right now with the dam, and the spillway situation is such that they are working very hard to make sure that that will be something, if we get continued rainfall, we will be able to handle the new load.

I also want to commend and thank President Trump for his very rapid reaction to our request for emergency help from the Federal Government on Oroville Dam. His team responded very quickly to our ask, and he understands and is working for infrastructure needs and repairs across this whole country.

He also understands that it isn't just about building new things, but it is going back and repairing our aging infrastructure, whether that is our highways, our bridges, or what needs to be done, like on Oroville Dam spillway. So I appreciate that.

Again, my full thanks to President Trump's staff, as well as the President himself, on his speedy response to our need.

HUMAN RIGHTS, DEMOCRACY, AND THE RULE OF LAW IN CAMBODIA

(Mr. LOWENTHAL asked and was given permission to address the House
